MetaboLift is the highest quality, most potent and most effective thermogenic formula ever developed. Its fast-acting, synergistic combination of herbs, spices plus chromium picolinate was developed from the latest scientific research and offers a remarkable range of value.

RECOMMENDED USE: As a dietary supplement, take 2 capsules before each meal. Do not exceed 6 capsules daily. Taking more than the recommended amount will not improve results and may cause adverse reactions listed in the warning below. Begin use with one-half the recommended dose (one capsule three times per day) to assess your tolerance. Improper use may be hazardous to a person's health. For best results, use as part of a low-fat diet and exercise program. The maximum recommended dosage of ephedrine for a healthy adult human is no more than 100 mg in a 24 hour period for not more than 12 weeks. Please note: Guarana extract contains caffeine and should not be taken by those wishing to eliminate caffeine from their diet.

WARNING: Do not use if you are pregnant or nursing or if you are at risk or are being treated for high blood pressure, heart, liver, thyroid or psychiatric disease, diabetes, pernicious anemia, nervousness, headache, anxiety, depression, seizure disorder, stroke or difficulty in urination due to prostate enlargement. Consult your health care professional before use if you are taking an MAO inhibitor or any other prescription drug. Discontinue use and consult your health care professional if dizziness, sleeplessness, tremors, nervousness, headache, heart palpitations or tingling sensations occur.

IF YOU ARE TAKING MAO INHIBITORS, DO NOT TAKE METABOLIFT
